**CONTAINER GRAPHICS ANNOUNCES FIRST RECIPIENT OF THE
PHIL SAUNDERS AWARD OF EXCELLENCE**

CARY, NC (January 28, 2013) – Container Graphics Corp. has recently recognized one of its employees for exceptional performance in 2012 with The Phil Saunders Award of Excellence. Scott Mason is the first recipient of this award. Named after the company’s founder, the award has been conceived by the company to recognize those individuals who excelled in all aspects of their performance and professional objectives.

In an internal memo about the award Neil Saunders, CEO of the company, stated,

“Everyone in our company and many in the industry know the high standards that Phil Saunders set for himself and his organization. He pushed hard for the whole corporation to strive for excellence. This new recognition, named in his honor, is established to recognize those in CGC that have exceeded a set of very high performance goals. I extend my congratulations to Scott on being the first to be recognized with this award.”

Scott Mason is Cutting Die Production Manager for the company’s facility in Modesto California.

Mr. Mason has been with the company since 2010.

Container Graphics Corporation is one of the world’s largest manufacturers of printing plates and cutting dies for corrugated packaging production. The company maintains its corporate headquarters in Cary, NC (USA), and operates 17 facilities worldwide.
