### **PROMOTIONS AND APPOINTMENTS**

CARY, NC (September 1, 2022) – Container Graphics Corporation (CGC) announces the promotion of Graham Saunders to President and Chief Operating Officer. Graham joined the company in 2013 in the role of Business Development Manager. He later led the company’s national accounts division and most recently held the position of Vice President and Chief Operating Officer.

Christine Zeger has been appointed to the position of Vice President and Chief Financial Officer. Christine has been CGC’s Controller since joining the company in 2014. In her new position she has also been made a member of the Board of Directors of CGC and its subsidiary, Container Graphics Ltd.

Brandy Marlow has been promoted to Vice President of Corporate and Digital Accounts. Brandy has been with the company for 5 years and was previously the Director of National Accounts. In her new role she will oversee the company’s National Accounts group, which supports brand customers, while also assuming responsibility over relationships with the company’s major corrugated customers.

Neil Saunders, the company’s CEO, stated at an internal meeting, “ It is very gratifying to see these internal promotions to leadership positions in our company. All three have proven their abilities through hard work and dedication. And, of course, it is especially heartwarming to see the grandson of our company’s founder now leading the company.”

Container Graphics Corporation (CGC) is the leading North American supplier of printing plates and cutting dies to the corrugated converting and brand packaging industries. CGC’s solutions deliver productivity and performance in packaging supply chains. A privately-held business of more than 60 years, CGC is headquartered in Cary, North Carolina and maintains 14 facilities across the United States and Canada.
