CONTAINER GRAPHICS ANNOUNCES NEW VICE PRESIDENT

CARY, NC (September 6, 2016) –Scott Bowen, Container Graphics Corporation’s Corporate Engineering and Manufacturing Manager, has been promoted to Vice President Manufacturing and Engineering. Scott started with the company in March of 2015 and previously worked for Sauder Woodworking Co. as its Senior Product Engineering Manager.

Based in the company’s facility in Toledo, Ohio, he now leads a group at Container Graphics that oversees manufacturing systems, engineering, quality management and product development. Scott also co-manages the company’s safety program.

Container Graphics Corporation is one of the world’s largest combined manufacturers of printing plates and cutting dies for corrugated packaging production. The company maintains its corporate headquarters in Cary, NC (USA), and operates 17 facilities worldwide.
